ARTWORK REMINDER!

AUGUST 5 DEADLINE

Thanks for participating in our annual Downtown L.A. Guide!

We just wanted to remind you that all camera-ready ads are due August 5, 2016.

I have included a spec sheet with the size you reserved just in case you did not receive one.

If you are not the appropriate contact for artwork please forward this info along.

Please give us a call if you have any questions.

Thank You,
